Addison, Texas 75001

Property Profile

The Colonnade is positioned in the vibrant Far North Dallas area at the intersection of the Dallas North Tollway and Arapaho Road. The Property benefits from its excellent ingress/egress via the Dallas North Tollway, President George Bush Turnpike (SH-190), and LBJ Freeway (I-635), offering convenient access to all of the area's leading residential areas and prime commercial centers. In addition, the Colonnade is located just south of the highly celebrated 70-acre Addison Circle mixed-use urban development consisting of apartments, townhomes, and various restaurants and retail stores. Other nearby amenities include upscale hotels, including the Addison Marriott, Westin Galleria, and neighboring InterContinental Dallas, as well as the private Addison Airport located just west of the Property. The Colonnade is a Class AA asset, which has been maintained to institutional standards throughout its history, winning the BOMA Building of the Year award in 2003-2004. The three towers are connected via a three story, 70-foot high barrel vaulted glass atrium featuring numerous seating areas, matchless landscaping, water features, and an amenity base that is unrivaled in the market. The Class AA amenities include wireless internet access, beauty salon, workout facility, full service Bank of America, bistro, sundries shop, and conference center.
