## THE STEMMONS SERVICE AWARD

The Stemmons Service Award is presented annually to honor a member of the North Texas Commercial Association of Real Estate Professionals who best exemplifies the highest standards of a commercial broker. The recipient is a leader in the field, has earned the respect of his or her peers as an active productive broker who successfully resolves the intricacies of bringing two parties together in a commercial real estate transaction.

Specific considerations for this award are the nominee's tenure in the commercial real estate industry, professional and civic involvement, active production level, and reputation. This award is named for the Stemmons family in recognition of their outstanding leadership and many contributions to the growth of Dallas, their long-standing dedication to and support of NTCAR, and, in particular, their cooperation and courtesy in dealing with the commercial brokerage community.
